MOPS

Mops do more than keep your floors looking fresh and clean. They protect your business from harmful dirt and particles. Have clean mops delivered directly to your facility each week.

WHY RENT MOPS?

Mops that are not cleaned regularly spread dirt and bacteria. Renting mops means you never again have to source costly mops or spend time breaking in, cleaning and replacing mops.

Our service provides fresh mops every week with no up-front costs to purchase equipment. We take care of the replacements for you, hardware included.

CHOOSING THE MOP THAT'S RIGHT FOR YOU

How big an area needs to be mopped? Is cross-contamination a factor? Do you deal with light or heavy soil?

These are all considerations in finding the right mop for the job. **Let AlSCO Uniforms help keep your floors fresh and dust free with our wet and dry, classic and microfiber mops.**
